

FESTIVAL FOOD AND DRINK MARKET

Sunday 21st August

1000-1500

Red Lion car park, Main Street, Burley-in-Wharfedale LS29 7BT

This Sunday in the Summer Festival is the busiest day in the whole Festival week with a large number of visitors drawn to the many events that run on the day. Last year we had approx 5,500 people visit the market - a marked increase on the 3,500 in previous years, due in part no doubt by the good weather on the day. Of those who came along 90% told us they 'loved it'. With a little prior preparation we hope to make this year's event even better for stall holders and visitors alike.

The cost of a place at the market is £25. If you'd like to join us, please complete the details below
